21st INTERNATIONAL CONFERENCE ON DIGITAL AUDIO EFFECTS

4 - 8 SEPTEMBER, 2018, AVEIRO, PORTUGAL

SPONSORSHIP PROGRAMME

It is both a privilege and a responsibility for us to host the **DAFx conference** for the first time in Portugal. We are seeking sponsorship to help us make it **as interesting and enjoyable as possible** for all involved, and foster greater interaction between the academic and industrial communities related to digital audio. To help you **choose the level of support you find most suitable** to your company, we have defined the following sponsorship packages:

Gold sponsors will:

- be allowed to use a desk space for exhibition,**
- have their trademark or logo advertised on the conference website, other online materials such as videos and on the cover of the conference proceedings,
- receive **two complimentary registrations**, each of which will include entry to all the conference paper sessions and the DAFx18 concert, refreshments and lunches for the days of conference and a seat at the conference banquet,
- place a promotional brochure in each participant's conference bag.

The gold sponsor fee is **€1800**.

Silver sponsors will:

- have their trademark or logo advertised on the conference website, other online materials such as videos and on the cover of the conference proceedings,
- receive **one complimentary registration**, which will include entry to all the conference paper sessions and the DAFx18 concert, refreshments and lunches for the days of conference and a seat at the conference banquet,
- place a promotional brochure in each participant's conference bag.

The silver sponsor fee is **€1000**.

Bronze sponsors will:

- have their trademark or logo advertised on the conference website, other online materials such as videos and on the cover of the conference proceedings,
- place a promotional brochure in each participant's conference bag.

The bronze sponsor fee is **€600**.

Other bespoke levels of support are, of course, possible – please contact us. Thank you!
